“ *Although I had not seen Denise for the last 40 odd years, we were childhood friends while growing up in Stevenson, Washington. The bonds one forms during those intense developmental years are deep and abiding. I was heartbroken to learn of Denise's passing and pray that her family can find peace in knowing that she was loved and well respected at the earliest points in her life. She will be missed.*

“ *The memories we shared over the past 27 years. I'll never forget. One memory I will forever hold in my heart is the couple of days before you left us. Our venturing through concerts on TV and dancing in our seats as if we were right there with the band. I am so grateful for your friendship. Our conversations at times that had little words but lots of laughter that turned into tears and tears which turned into laughter. You accepted me into your home and loved my fur babies as they were your own. You will be missed by many and I know you are dancing in Heaven with Katie. I will miss you everyday til I see you again. I love you dear friend*
