

Diana Lee Huber

May 3, 1973 - December 19, 2019

Diana Lee Huber, age 46, passed away Thursday, December 19, 2019 at Circle of Life Hospice in Springdale, AR. She was born May 3, 1973, at Springdale Memorial Hospital to Doyle and Pat Adams. A 1991 graduate of Springdale High School, Diana was the first in our family to graduate college in 1995 from the University of Arkansas, Fayetteville with a Bachelor of Arts Degree in History.

Diana worked for many years in veterinary clinics where she was able to live her passion by helping animals and their families. It isn't surprising to those who knew Diana that she opened her heart and home to foster aging animals. Her kind spirit and gentle demeanor will be deeply missed by all who were blessed to know her.

She is survived by her mother, Pat; sister Lora (Randy) Erwin, and son Alex; sister Jill (Michael) Turner, and daughters Payton and Keely.

In lieu of flowers, please celebrate Diana's life and passion for animals by donating to the City of Springdale, Animal Services.

“ *Diana was one of the first friends I made when I moved to Springdale in the 1st grade. She was always so kind hearted and caring about others no matter what. I'm so sorry we lost touch over the years. I have thought of her often and remembered all our chats growing up. She was always smiling when I saw her and we would laugh so hard at times. She loved big and with all she had. She was a beautiful soul. I am so sorry for your loss and I pray for peace for all of you! I know you all will miss her as will I.*

“ I had the pleasure of meeting Diana back in 2009. I took a little 3 week old kitten to her to the vet where she was working and she cared for it every day, even took it home with her after work and bottle fed it till it got older and then I adopted it. She was so kind hearted and such a sweet friend to have. I am so glad we had the pleasure of meeting. I know she will be very much missed by her family. My thoughts and prayers are with you at this time.
