“ *Only met Connie's friend a few times myself but we had lifelong contact with her family; friends, and acquaintances. We are fortunate to have lived when we did and to have known people such as these.*

“ *She came with Cheryl to visit me in Prattville Alabama. It was such a fun time! We laughed and ate delicious southern foods and saw the countryside around Montgomery. She brought me such joy at a time in my life when I definitely needed joy.*

Then, as my husband's health steadily declined she was gracious enough to lend me some of the wheelchair items that Kendall used. It was a huge help.

I will miss getting to see her every once in a while but know I'll see her again someday💕
