“ *My condolences go out to her boys, family , and friends. Dianna has been a long time friend since we were kids. I was her maid of honor in her wedding, and just with her all the time through Junior High and High School. We lost touch with each other for quite a few years and then re-connected on Facebook. I truly loved her as a sister. She always had a beautiful smile on her face. And she loved people. I will miss her so much , but I will remember all of our special memories. Until we meet again you will always be in my heart. I love you!!!! Paula McClure Taylor*

“ I just now found out Dianna passed. I am so sorry. I know you are reunited with your mom and dad. We lost connection for years but reconnected back on facebook. I remember all those times when we were younger at the bowling alley while our parents bowled. We could always get into trouble. R.I.P. my sweet friend.
