“ Aunt Dolly will be missed by all who knew her. And she love so many! I will never forget her and our last visit we got to have at her house. It was a beautiful day and we talked about so many family memories! Took lots of photos.

She always looked forward to my mama's(Betty) and Aunt Jean's visits. We will miss her, until we see her again! We love you Aunt Dolly!

Over the years me and my sister Jean would come to see Aunt Dolly twice a year. She was always so happy to see us, and we were happy to see her. I always loved visiting and looking at pictures. Just talking about the old days, Mama, Mama Davis, Uncle Homer, and others. I didn't get to see her again after Covid, but I sent her cards to let her know I was thinking about her for birthdays and Christmas. I was told she liked them!

I would find out they had Covid in the Rehabilitation Center when I would be in town and couldn't visit, but I knew I could send her a card. Rest in peace Aunt Dolly. Will see you again one day.
