“ *My thoughts and prayers are with you and your family. My mother, Colleen Gay Watson, was first cousin to Don, daughter of Jessie Harp Gay.*

She passed away June 6, so I understand what an emotional time you are going through, and will be for many years to come. Someday I hope to complete what family history I have accumulated and send to other family members.

“ Our prayers are with the entire family. I went to school with the Harp kids, knew the family well, and Don and Jeannie have stayed in contact with my Mom. "Death is a heartache no one can heal - love leaves a memory no one can steal."

“ Don was greatly missed when he left the Polled Hereford industry. Cattle shows were always hard work but Don's charm and wit made them a joy.
The Hamm and Swope families would like to extend our condolences to the whole family and especially Gina and Tina. We spend a lot of hours in the cattle barns together.
