“ *My papa was one of my greatest influences and he will forever be in my heart. He is someone I will never forget. He was such a great person with a heart of gold. I miss him very very much and will never forget about him. I act happy on the outside but when I think of him I start to hurt. I love you papa..forever, and always..*

“ *I worked with Wes on a major project, and his good nature and inquisitiveness were so appreciated by many around him. We had some good one on one conversations during the all-too-brief time that I knew him, and I consider myself fortunate for having had that opportunity. My thanks to him for his service to our country, and my deepest sympathies to his family.*

“ Unfortunately I did not have the honor of knowing Mr. Offenbacher. Sadly I met him on Hwy 62 at 2:25 on Saturday afternoon. I was the first person to stop at the accident to help him. This very brief meeting with him has forever impacted my life. I know your grief is immense and your hearts are full of wonderful memories. God put me there at that moment for Mr. Offenbacher and I do not know why but please know that I am praying for your family. My name is Lisa Rogers and I am from Rogers. God speed Mr. Don Wesley Offenbacher!

“ *I remember all the good times like it was yesterday but the times we spent traveling with the roof open and the music jamming is some of my best memories and of course the tremendous football and baseball games we went to. I just didn't realize how much I leaned on you until now. Love you*
