“ *I'm sad to see this. I spent a lot of time hanging out with Donna & her parents, went to church with them quite a few times in Duncanville. Tonight I'm online looking up old friends and instead of finding Donna I saw this -- belated condolences and prayers for your family.*

“ Jim, I was sorry to read about your father's passing. We lost my mother in January, so I can relate to losing a parent. You and your family are in my prayers. Your daughter lives across the street from me now, on Oxford. I used to work in Inventory Control. Blessings to you all.
