“ *It is ironic that I was trying to recall today any high school friends that I had so many years ago. One of those in 1967/1968 was Donnie. I was sad to hear that he passed only a week ago. Donnie and I dated for only a short time but what I remember was a really sweet, considerate guy. My sympathies go out to his family. I live in California and don't remember a lot about those days in Springdale but I do remember what a nice guy that he was.*
