“ *Diane, David, Darrell, Danita, Harold,,Denise and families, my heart is sad to hear of Dorothy's passing. I have never had a friend like Dorothy. She was the best. She was there for me so many, many times when I was a teenager and later too. We could have a blast doing nothing. We have laughed together, we have cried together and someday we will be able to talk it all over together. I loved her and was proud to call her " My Friend".*

You made her proud of her family. You were there for her the last years of her life. I know you will miss her as we all will. May God comfort you. You can find peace in knowing what a wonderful Mother and Friend Dorothy was. My love to all, Kay
