“ *Dorothy's kindness and love of her Lord was a resounding language the deaf could hear and the blind could see. We remember the twinkle in her eyes, .. especially when she spoke or shared pictures of her family. The world around her was truly blessed with the Christ-Life she embraced and now has entered into His presence. She awaits those who also embrace the Christ-Life. How she loved and pursued her family. You continue to be blessed by her prayers. _____ Gary and LaVonne Walker*
