“ *Delia, remember Sybil Bunn calling you a "School Teacher" because of the way you walked down the hall of the M L Harris 2nd floor?! Well, those teacher genes were instilled in you by your Mom. Keep her memory always in your heart and pass it on to your children and grands, and the world will always be a better place to live. In sympathy and love.*

“ *She was truly a teacher from the heart! She talked about her students as if they were her own children in her home. What longevity and legacy for her posterity! God did mighty works with her life. To Him be glory.*
