“ I will miss you ALWAYS grandpa!! I have many memories but the one that I will never forget is when one winter year you and JR were playing outside in the snow and decided to swing me around in the snow, when I got up all I could remember was how cold I was! Let's not forget your signature donkey bites haha had us twisting all over the floor until you would finally let go of our knee/shoulder... I will miss seeing you make everyone laugh with your jokes picking on grandma until she gets mad. I will miss you grandpa, I love you so much!
