“ *Mom we always said LOVE YOU AND I MISS YOU. Thanks to my daughter when she was little that's all she would say to you on the phone when we moved away. So I'm saying it every day when I look up to the Havens. I know you'll be looking down and smiling at me.*

“ *Auntie, I know ur in a much better place but u will be truly missed. I only ask one favor and that u watch over my mom (ur sister). I talked with her this evening and I know she is sad but won't say much. Mom has always been that way, the strong one for r family. Plz comfort her. I Love U. Pat, Squintion and Clell and all ur families, my prayers r with u in ur time of sadness. Words cannot begin to express how I feel only my tears that try to cleanse my heart. Take care of each other and we will be here if u need us. That's what family does.*
