“ Chonita, I have thought of you and your family many times through the years, and love the memories of spending time in your home and you coming to Gravette to visit us. Your mom always made me feel so welcome and so at home. I know you all will miss her in ways you cannot imagine, but also know how the wonderful memories will comfort you going forward. Later, when you feel like it I would love to hear from you and see how God has been working in your life since we have seen each other so many years ago. Blessings and love, Ina May Persing Pummill (in Elkins)

“ *So sorry for you loss. I worked with lone at Sears for years and remember her as a lovely woman who we all enjoyed working with a lot. Also her granddaughter Gwyn was one of my daughter's very best friends. My thoughts and prayers are with your family and know that you were blessed to have her for as long as you did.*

“ *On February 8, 2015, I lost one of my favorite people, my Grandma, lone Duncan. My grandma is a big part of why I remember my childhood as a particularly treasured and idyllic time. Along with my grandpa, she gave me unconditional love and acceptance as a young girl and I was blessed with lots of time spent "over at grandma and grandpa's", as I grew up. Grandma even treated me as a confidant once I became a woman and mother myself. Although I mourn the loss of my grandma, I know that she is reunited with all her loved ones that preceded her and this means she's happier now. Grandma, I love you. Please say hi to Ruby and give grandpa a hug for me. Your granddaughter, Gwyneth Marchanti*
