“ *Ella was one of the most fascinating people I've ever known! From late 2011 to early 2012 I spent many hours chatting with her when I was with The Salvation Army. She must have told me a hundred stories that made me laugh and cry and she never told the same story twice. I will truly miss her warmth and love. Heaven has a very special angel indeed!!!*

“ *I have many fond memories sitting for hours listening to stories with you, Jack and my dad in the store. May you be at peace.*

“ *Oh Frances,*

All of the hours that my family (Ralph L Mayes and Louise Mayes, Kellie) and I spent with you and Jack over the years. I have so enjoyed our letters and telephone calls over the last many decades. Such a wonderful, intelligent, well read and caring woman. My sister, Kellie, and I were always so amazed at how you were able to write backwards on the chalkboard in your kitchen. You will truly be missed.

“ *Frances was a part of many good memories that I have as a child. I considered her and Jack my godparents! I ran away many times to their house next door. She was very precious to me.*
