“ *Debbie, Donny and family, we were so sorry to hear of Miss Louise's passing. She had that way of always making you feel loved and welcome. She reminded us much of our own grandmothers in the way that she was always so accepting and never judgemental. She touched so many lives and had a strong gift of humor. She was always encouraging us to strive to do better. She was so fond of Logan and Logan loved her very much as well. May you keep her warm wit, laughter and memories close to your heart. There's no doubt that she's in heaven watching over all of us until we see her again. God Bless you and your family and know that she will be missed my many.*
