“ *Dyian, we're so sorry to hear of Lloyd's passing and want to express our sympathy for you and the family. We worship with the church at Mabelvale and remember when your family attended there also. You used to cut my hair and give me perms in the salon at your house. Lloyd took our wedding pictures and he was excited about using his new wide-angle lens. He insisted on giving us the pictures as a wedding gift, he would NOT let us pay him. Very sweet. I know he will be missed so much. With thoughts and prayers, Christy and James Kinsey.*

“ *My brother loved many things but above the Lord was his King. I will miss him terribly. He was kind hearted and cares for all who had the pleasure to meet him. Rest In Peace my brother. We love you.*

Lloyd was one of my 4 brothers. I will miss him terribly but the joy of all this is that he is singing with the Angels and asking God a lot of things we do not understand while on earth. Love him so much and look forward to seeing him again one day.
