“ *Hello I knew Emma and Johnny because of my mom, Magdalene Hubbard Callison and my cousin, James Elbert Featherston. They all attended Liberty Bell School reunions in Cave Springs where Elbert, mom and Johnny attended grade school. I loved to hear them talk about it. I did about 11 of those reunions for my mom because she loved it so much. Emma's gentle quietness, her fabulous cooking and sweetness made me a big fan of hers. Almost all of the students from that era have passed away as well as their spouses. When Elbert and Johnny got to talking about all the mischief that got into in school they would keep us in stitches. I miss them all. I am so sorry about your mom. I truly loved her even though I had not seen her in several years. I accidentally came up on her obituary when I was looking to see if they had posted the information for my aunts upcoming service. I know she is happy to be with the love of her life again. She was truly a gracious lady.*
