

Ernie Douglas

March 26, 1943 - July 16, 2019

To cool for this party, Ernie Douglas (CB handle - "Dogman") checked out on July 16, 2019 at the young age of 76, but his larger than life persona and trademark practical jokes will not be forgotten.

Often times you would see Ernie behind the wheel chasing down the State Patrol. He's blown a few car engines keeping his beloved dog Hooter cool in the AC.

Ernie, the life of many parties, afforded loads of people exposure to his humor, jokes, and cool toys. He loved well and shared what he had.

Residents of NW Arkansas benefitted from his great sales mind, negotiating deals for the community in his career with Great Dane and Springdale Trailers, Walmart, Tyson Foods, JB Hunt, Jones Truck Lines.

Ernie died knowing he was loved by his soulmate of 17 years, Debra Sherrell, daughters, Kristi Collett and Kimberly Johnson, Brian and Anna Sellers and many others.

Ernie was born at home in Kentucky. He was immediately dubbed "the favorite" and fought over by his parents EB & Evelyn Crady and Miles & Jacquelin Douglas.

Ernie left KY joining the Navy and serving his country in Vietnam on the USS Kitty Hawk supercarrier.

He was preceded in death by: the famous Hooter dog, wife- Brenda Douglas, brother- Richard Collins, sister- Jane Bennett.

He was survived by Ready brothers- Lewis, Charlie, Jeff, and Jonathan and sisters- Patricia Kennedy, Jackie Graham.

Ernie would say "I'm too cool for this party, so I'm on to my next party.>"; at Pinnacle

“ We were in Arkansas visiting Ernie one summer and he had stopped and picked up a turtle out of the roadway. He forgot about the turtle being in his vehicle so when it started moving about he got quite the scare. He thought it was so funny. He always had a great sense of humor.

Kristi,
So very sorry for your loss, but it appears there will be much joy in the Heavens. His light continues to shine.

I can just see him up thier with all of his old friends laughing and saying what can we do next to let them know we are watching down on them so keep a eye out for a penny or a butterfly you never know until you see it I was told to look for the brightest star in the sky and know I am thinking of you it gets me thru a lot of lonely nights. We love you Ernie and all the memories you have given us.

While riding our motorcycles and then stopping for gas or a rest I guarantee if Ernie didn't know anyone there he knew folks and they knew him when we left. We always had to stop several times so he could check with the baby sitter who was staying with Hooter. Every time Faye and I would pass the pet cemetery we would think of Ernie and Hooter. Most of the time I would call to check on the rascal. You will be missed RIP MY FRIEND!!!! 🙏🇺🇸👮🤔
