“ *I have never been good at finding the right words to say at a times like this. Etta was very special to me. She will always hold a special place in my heart. I will miss setting around just talking to her. At times when we would talk it almost seemed like I was getting to talk to my mom once again,and to me that was always priceless. I am so sorry for your loss. Etta was a beautiful , wonderful women. We would share pictures and story's of our grandchildren almost every time we talked. She loved all her family very much. Prayers will be with you all. Krista Pendergraft.*
