“ *I have very fond memories of Aunt Sue, visiting her as a kid. I couldn't come to her life celebration but I was thinking of her and couldn't help but smile, she is part of my good memories from my childhood and they are far and few between. Thank you Aunt Sue, I will miss you.*

“ *I remember my Aunt Sue as a fun, carefree person. I spent many summers at Granny Hazel's and it was always a treat to get to spend a few nights with Aunt Sue and Uncle Curly and the boys. And I, too, loved the speed boat and skiing at Beaver Lake. Also, loved her silver wallpaper in the dining room and all her many mice. So many memories...I am content knowing she is with Uncle Curly in their heavenly home! Oh what a time they must be having. Love to all the boys..wish I could have been there today.*

“ Dear Been Family - I loved and enjoyed Sue Been. She had a sharp wit that made everyone smile. She joined my ESA chapter sorority while living with Rusty in Dallas. She was my traveling companion to the state board meetings. The Past Presidents of Texas ESA welcomed her as an honorary member and recognized her at each board meeting just as they did her Texas sisters.

One Sunday morning at the state board meeting Sue addressed the membership. She spoke very eloquently and expressed how excited she was to be a part of the Texas membership and how welcome she had been made to feel by the members and especially the past state presidents. She was addressing about 125 ladies. She was sitting at my table and as she returned to her seat I told her how nice that was and how I/we appreciated her saying so. She looked around the room at all of the ladies, looked at me and said, "Honey, I wasn't talking about you!" The room roared with laughter - that was so Sue Been.

I have missed her these past years and have thought about her often. She was a beautiful lady and I was honored to call her my friend.

Love you Rusty,
Kelly

“ I was so sad to hear of Sue's(Beenie as I liked to call her)passing. She was very special to me. She was a coworker @ World Wide Travel when I first moved to AR from Texas. She was a mentor,friend,encourager and mom figure to me as well as a co worker. I loved her sassy sense of humor and her matter of fact wisdom. I am blessed and better because I knew her in this life. I will miss her. Love and prayers to you and your families, Ken, Ed and Rusty.

“ To the Been Family,
Sue was one of a kind and will be greatly missed by all who knew her. We loved her and laughed with her and Curly so many times. All the happy memories will keep her in our hearts forever. She was a great inspiration to all her ESA sisters.

“ Sue Been will always hold a special place in my heart. I have fond, fond memories of getting to know Sue while traveling to ESA meetings and functions. She always had a way of making everyone feel they were just as important as the next person and to stand up for yourself. LOL!! She always kept it together and never showed weakness I so admired her. Sue you will be missed dearly. My sympathy to her family.
