“ *Susan:*

*My prayers are with you during this time of loss. I can remember so many good times I had at your house and being with your mom and dad. I can still remember Oak Grove 4-H and how we wore those identical checker dress and our display of table settings. Those were the good old days. You and I were very fortunate to have such loving parents. I miss mine on a daily basis and I assume you will remember yours to every day of your life. Keep in touch old friend and see you around.*
