“ *I got to know Mr. Holcomb while running the Elm Springs post office. He had a wry sense of humor and knew how to squeeze a penny till it squealed. He was gracious and kind. We often looked for his keys as they had a habit of leaving him. My sympathies to Geneva and the ESUMC. Semper Fi my friend. Always faithful.*

“ I got to know Allen Holcomb when I served on the Elm Springs Planning Commission. He was always a gentlemen and tried to do what he thought was best for all the people in Elm Springs and surrounding areas. He will be greatly missed in our area.

“ Carol Holcomb-Hill, my amazing step-mother, introduced me to her family when I was a very young girl. All of them, including her loving parents, were always so nice and welcomed me in. One summer, Mr Holcomb let me “work” in the office helping out. I surely hope that I gave him an honest days work, a characteristic that he embodied every day.

He was a great man, patriot, business owner, father, grand-father and step-grand father. He will be missed.

“ I always looked forward to spending the night over at Grandpa and Grandma's house. Grandpa would always make time to play tea party with me. :-)

I feel so blessed to have had him in my life.
