“ *Don't know how we came up with Aunt Billie out of Florence Marie but I have fond memories of her visits to my grandmothers house next door. I remember she used to laugh so hard and delighted in her time spent with my grandmother(and her sister Faye Hale Millard). Just thought of her the other day as I researched records on Ancestry dot com. God bless her those who love her and will miss her.*

“ *I remember her coming to our house for Thanksgiving dinner several years ago. My biggest memory while she was at our house was how uplifting and fun it was to hear her giggle. She was a kind, Godly woman and I look forward to seeing her in Heaven someday.*
