“ Annette and I worked at Merrill Lynch together for many years - first in Little Rock and then in Fayetteville. Some of my fondest memories are of the countless adventure-filled floating/camping trips on the Buffalo and at Beaver Lake, the never-a-dull-moment backyard volleyball games as well as the trophies we were awarded by the Bowling League - last place the first year and most improved the second :-). I could go on and on. Annette's full smile and from the heart laughter could always be seen and heard no matter the activity. Thank you for all the heart-warming memories, dear friend. You will always have a special place in my heart.
