“ *Idell & I met through work and shared a very small office. Did I say "very small"?! We became close friends in so many ways. She was more like a mom to me. She prayed with me & for me, challenged me, encouraged me, strengthened me, humbled me; showed me Jesus every day. That little space became our daily sanctuary.*

*Then the inevitable happened. . .we found out that each other was a HUGE Bronco fan & had been for decades. LOL :) The girls at work couldn't hardly stand to be in the same room with us during football season! This year she had to hang up on me during the game because she was so frustrated with our boys. But she always told me she loved me & I would tell her "I love you too, Momma."*

*So today I say, "Momma, I'm sending my Bronco jersey home to be with you. And, maybe, you'll have a little extra pull this year!"*

“ We were so very blessed to have had Idell work for us the last 7 months. She was the perfect person for our office. She was such a sweet lady, very conscientious, with a great sense of humor. She loved to talk about her 3 granddaughter, her "girls" as she called them. I know, without a doubt, that she went home to the arms of her Savior. She will be sorely missed and I look forward to seeing her in heaven one day. Prayers go out to all that knew and loved this wonderful lady.

“ I send my deepest sympathy to Idell's family and friends. She was a dear sweet woman and it was a great honor to have known her. I will miss her surely but am so happy to know that Idell lived her life in such a manner that there is no doubt that she is in the presence of The King. I love you my very, very good friend. I will see you soon.
