“ *My sincere sympathy to my four special Wilson cousins. I have memories of your mother giving Danny & me crackers with butter on them for snack when your family lived at Freemound. I would like so much to see all of you! Please contact me any time by phone, e-mail, or mail. Your contact would be VERY welcome. I will always have fond memories of all of you & your mother, Aunt Frances. God be with you.*

“ *I am so sorry to hear about Aunt Frances and wish I could be there with you. I am in spirit. I remember when she and Jelly married and lived at Burns City. I was their unofficial daughter for a while as I loved to visit and felt very special with them. This was before the boys were born of course. On behalf of Carol and myself, we think of you with lots of love and prayer. Please keep in contact with us.
