“ I want to say that the last several Thankgiving's I had the HONOR of cooking the Thanksgiving meal and Frank was always there at his oldest son's house, Shad and Tamara's and he never left without a full belly and a plate full to go! Frank always told me thank you! And that it was very good. (Don't know much about that). BUT Frank always made sure he said Thank you! You were loved by many, and will be missed dearly

“ Frank, Ole' buddy, you are sure going to be missed! We always looked forward to visiting with you when we would get together at our SHS 1965 Classmate dinners and other functions. Looked forward to seeing you, and finding out what you had been up to, and what you were working on! Just not going to be the same, but I know that you are in a better place, and that you will never have another problem with your heart!!! Till we meet again, R.I.P. Frank!!!

“ I hope this isn't the second time I posted this memory, but I can't find the first one, so here it is again, Mr. Frank was a special person he came into the clinic and I would always get a good laugh, the T-Shirts he wore that read "Don't sweep the floor while I eat" was his motto and I loved it, he would stop by and see me if he came to the Jones Clinic Tower even if he wasn't coming to the clinic, before I got sick and had to quit working, My thoughts and prayers are with the whole family, Mr. Frank talked to me and when my father passed away, and gave me encouragement. He was a great person and I believe he is in a better place, family always keep that in your hearts. Prayer be with you, Linda Thornburg, Bob Thornburg's wife
