“ *The Scent of the Roses.
Let Fate do her worst, there are relics of joy,
Bright dreams of the past, which she cannot destroy;
Which come in the night-time of sorrow and care,
And bring back the features which joy used to wear.
Long, long be my heart with such memories filled
Like the vase in which roses have once been distilled—
You may break, you may shatter the vase, if you will,
But the scent of the roses will hang round it still.*
