“ *Franke was a good man and a reliable friend.*

We lost contact in recent years. But we worked together back when we were in the construction business. Franke helped pour the foundation on our home and helped us get started in the foundation business. He was a hard worker and ready to lend a hand at any time.

Condolences to his family and his many friends. We will all miss him dearly.

The last year has been tough, you fought one hell of a fight old man. I got to see your perseverance and sheer determination just to get out of bed. You did this your way! You are missed terribly!! Thank Jesus for letting me hear that deep breath you've been waiting for. Much love your Emmy Lou forever!!*
