“ *Condolences to Jim and Deb. Freddy always greeted me whenever we were tournament fishing. And he really loved tournament fishing and I'm not sure I ever bested him in weight. I admire his passion for fishing and living his life fully to the end. We should all have that quality. I often thought about him and what he was going through Really going to miss his great smile.
Wishing the family the best,
Randy and Betty McKee*

“ Fred was a joy to fellowship with, and this world is a little less bright with him gone, but heaven is surely rejoicing with him home.

For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him.
