“ My heart is full of sadness losing my beloved aunt and best buddy. Memories overflow causing smiles and laughter. Taking the girls to the Fourth of July rodeo parade, the summer we got matching haircuts and scored the best jeans in town. Belting out tunes from the Captain and Tannile!!! Who remembers Freda driving the old red pick up? Tippy toe on the clutch barely seeing between the wheel and dash while blowing down the country roads. I loved her sense of humor. She was always encouraging-never heard her complain. Loving to her kids-never heard her yell at them. She was a role model with her steadfast faith. They called us "Fred and Barney"! I will forever miss this lovely woman I was blessed to call my aunt and dear friend. Freda is home and she is happy. My heart goes out to Gary, her kids and grandkids-she was the center of their world...what a loss. Love to All!
