“ *I'm sorry to have missed visitation last night. I didn't know until late. It would have been good to be with all of you. I have sweet memories of my Aunt Fredia. Our prayers go with each of you.*

“ *Dear family, I am sad to hear of Freda's passing. we would have come to the visitation had we known about it. Mary P. came to Beth's last night and told her on her way home. we apologize for not being there with all of you. you are in my prayers and thoughts as you go thru the service today, I know and understand how hard it is to give a loved one up, but we know they are truly healed and in Heaven now. lots of hugs and love for you all today.*
