“ Gary,

*You were the BEST Man I have ever known. I know we sometimes fought hard but we loved even harder. I never wanted anyone else after I met you. You were everything I was looking for and more. I used to think you were crazy for being so loving and forgiving of people that used use, but you were the closest person I ever knew to being the way GOD tells us we should treat one another. We had Great Times and we had hard times where I felt we had been through hell and back, but we always loved each other. I dont know how I am going to live without you but I will try to be strong for our daughter, son, and mother. My heart is breaking but I know I will see you again. You could always lift me up when I was down. You kept me entertained. You made me smile. I know you loved me. I could not have asked for a better man, it would not have done me any good, because there was no better Man than you. I just hope you know how much I LOVED YOU AND ALWAYS WILL! I pray to GOD to give me the strength to go on and I can't wait until I am in your arms again. I am so glad my last moment with you was kissing you good bye and telling I LOVE YOU! See you in Heaven, Baby!
LOVE ALWAYS, Your Wife*

“ Gary, I am so blessed to have known you. You were a special person and I will miss you my friend. I was lucky to have the chance to say "I Love You." the last time I saw you. You'll see those pearly gates, but I'm right behind you. See you on the otherside. I'm jealous you're there and I'm still here, but I'll wait my turn. My sympathy to your beautiful loving wife and son. They will miss you the most. God Bless you.

I LOVE YOU MY FRIEND! and yes i had that chance! and i thank God for him being my friend! to all his family, i send my love to you and pray for you strength! He will be missed with tears and good memories! i love you my friend! til' we meet again! Tami Clark

“ *Our time was cut short, you were always chasing that one last hit song and it is our regret that we never reached it together. None the less we treasured every moment we were together and will never forget our unity as a band. Our prayers and thoughts are with the family and will always be at your service.*
