“ Kimber,
I'm so sorry to hear of the passing of your dad. It doesn't seem possible so many in the family could have passed in the last few years. I have fond memories of your mom as a teenager when she would come to babysit my children, always so cheerful, and I remember her great interest and talent in piano. I didn't know your dad very well, but am sure if your mom chose him, he was a very fine man. Our thoughts and prayers go out to you in this time of sorrow. Congratulations on your new little one and take comfort in knowing that your mom and dad live on through her. If you are ever in Tulsa, we would love to see you (918-749-0419). Love, Carol and Jim

“ Kimber, We already miss your Dad's smile, his encouragement and his wonderful sense of humor. He brought so much joy to Hilltop Bible Church in God's perfect timing. He lead us to the throne each Sunday and made it a delight to look for the Father. He talked often of his love for you and his desire to be up with you whenever he could, and God was so gracious to let him meet Kayla before he left us!

My mother, Edith Johnson, my son Jeremy Green and I have all been praying for you and your family. All in His family, Marie
