“ *Mitzi, Rick & families, so sorry to hear of your mom's passing. I have so many memories as a young child of happy times with your mom, Aunt Madge, Uncle Roy & the rest of our crazy family. So much laughter. I came for a couple of days to "help" your mom shortly after Mitzi was born (I think I was about 8!). Seems like so many are gone now, including my mom, Betty Jo, but we have some wonderful memories. I know you must be hurting so, & I will be praying for you.*

“ Dear Family,  
We are so sorry to hear (belatedly) of your loss. Gayla was such a special godly woman and we will miss her smile and laugh. We were out of town at our daughter's wedding during this time and first thing that came to mind was how Gayla would be so excited for us in her usual caring way.  
Take comfort that she is with her Heavenly Father and she left this world a much better place in word and deed. She loved her family so much and spoke of you often. May the memories comfort you in the days ahead. Sincerely, Steve & Jackie Morris
