“ *Gussie, I am so sorry for your loss. You and your family are in my prayers. I still remember the first time (that I remember) meeting you and George and your children at Uncle Frances and Loretta's in 1966. I was very impressed with George as a parents and have never forgotten how he patiently spoke with his young boy. Not sure which child it was.... you are special to me. May you feel God's presence close during this difficult time.*
