“ *George, you will always make me smile when I think of you enjoying a good plate of food! You could eat like no one I know...and never gain an ounce! I enjoyed our conversations about cooking and gardening. I admire your courage and patience. You are missed; don't worry we are taking good care of Missy!*

“ George (Dad) was one of my beloved father-in-laws, one of my husbands fathers and Grandpa to our six children as well as Great G-pa to our three grandbabies. I got lucky enough to build a relationship with him before he was called home. I wish that I had more time myself, but appreciate the time I did have. He has a special place in our families heart of hearts and will not be forgotten! George, we love you and have comfort in knowing you are watching over all of us. Special prayers for the other members of the family that are remembering George's time. I thank you for sharing him with me and our family. God Bless.
