“ *Dear Family; We always enjoyed going to Granny's birthday party and visiting with all of you. Will miss that party every year, but we know Granny's having a party everyday with her Lord and Savior in heaven, and we who know the Lord will join that party someday. May God bless and comfort..*

“ Aunt Georgia shared her abundant love with everyone. When we visited her and Uncle Paul you learned about you father's family as well as all the children they cared for while their parents worked, Those children were bless by having someone that loved them and cared for them as if they were family. My family was blessed by just knowing this amazing woman..

“ Mrs.Archer was such a blessing to all she met, a good neighbor and friend. When I went to see her she asked me about my family and grandkids. She had no complaints and we had a great visit. She was amazing and I know her Paul and loved ones gone before can share company face to face. She is missed here and left many happy memories here for loved ones to hold dear.
