“ *I am very sad that I am unable to be there at the funeral this Friday, I wish I were there with the rest of the family. As weird as this may sound, I find SOME peace knowing grandma is free of hurt and pain and that she is with grandpa once again. It does hurt to lose her, but I know that she can be happy for eternity now. I will remember her for the kind and strong-willed woman she was. I love you grandma. Peace be with your soul.*
