“ *Jerry was such a positive role model to myself, and can probably safely say the same for the rest of her nieces. She was a hard worker and taught me a lot about exercising independence in a mostly man's world at the time. She was a very giving person and a very honest person. I shall always be grateful for the influence she had on my life. Love, Jan*

“ *Jerry was such a good friend of my mother, Lorraine Moore. I can't remember not knowing her. She spent a lot of time at our house, and was always so interested in my sister, Virginia, and me. I certainly have fond memories of her at church, playing bridge, and vacations. She was a fine lady.*

Sincerely, Susan
