“ *I have been trying to reconnect with Glenda for several years but have been unable to make a connection until this evening. I am sad to find her obituary. We met at Cleveland Jr High in Tulsa and because our last names often fell together alphabetically, we were often seated near one another in classes. My dad was transferred out of state so I moved from Tulsa after 8th grade. After HS graduation in Seneca MO I returned to Tulsa to attend Hillcrest Medical Center School of Nursing and what a pleasant surprise to find that Glenda and I were again together.....in a new freshman class. Regrettably, she left the program after the 1st year. I have often wondered about her....where she was living and what was going on in her life. I hope she was happy.  
My sincere condolences to her family,
