“ I did not know Glenda, but I work with her son Jeff Cotney. From my experiences working with Jeff, she would be very proud of him and the person that he is. I also believe that an individual in many ways reflects those who have raised them and guided them in life. For Glenda, Jeff is a living testament to the good you brought to your family and friends. Rest in peace, and my prayers and thoughts to Jeff and your family. Sincerely, Mike (PLP family).
