“ *I went to elementary school with a Glenda Gwartney. Her brother Charles was also in my class. The elementary school was Mingo. Is this the same Glenda Gwartney? We were good friends but lost contact when she moved from Mingo. I am very sorry for your loss.*

“ *I went to high school with Glenda in Gentry and I am so sorry for your loss. I remember her well and we shared a lot of laughter in those days. Sadly, I had not seen Glenda since graduation. I am very saddened by this news. She was a great gal and friend!*

“ *Sorry to hear about Glenda. We always enjoyed being around her when she lived in Gracemont. We had lots of fun together and I still thought of her often after she left. I felt she was still a part of my family. I just never could find out how to find her after she moved. I will always have a place in my heart for the "dancing red head"*
