“ *I am so sorry to hear about the passing of my great aunt Glenna. Glenna and Doris both meant so much to our family, and I have such fond memories of them both. I too loved Glenna's fried pies as well as her dried apples. I am so comforted in knowing with absolute certainty that she is at home in heaven now and is reunited with family and friends who have gone before her. I know that this provides comfort to all of her family during this difficult time.*

*My love, thoughts, and prayers,*

“ Glenna was a wonderful woman; talented, and giving. She was a volunteer at the Lowell Historical Museum for many years. She was a blessing and liked to share stories about the history of Lowell and people who lived in Lowell. She loved to talk with the visitors and could tell how many of the artifacts were used. Glenna loved the Lord and shared her testimony with us at various times. Rest in peace, my wonderful friend.
