“ *Glodene was a sweet neighbor. I enjoyed our morning and evening walks. We would share what was happening with our families. She loved her cat(Silvester) and dog(Bizzy) and they would go on walks with us. We always looked out for each other and checked on each other. I sure miss her.*

“ *Glodene was a great person and hard worker at the Tool Plant. She worked a lot of years on the Plating Line and could always be counted on. I always enjoyed hearing about the camping trips that her and Bob would go on. She was a true friend. Prayers and my deepest sympathy for the family. Sincerely Roy Walker*

I am very sorry to hear about your mother. When I worked at SHS with you, you were always taking care of your mother and were very concerned with her welfare. You were a very involved, caring daughter. I miss visiting with you!. Please accept my sincere sympathy and friendship.*

“ *Glo was one of my favorite people at the old EASCO plant. She had a sharp wit and quite the sense of humor. Recently was able to visit her. She was still the same person I remembered from years ago. She will be missed. My deepest condolences to her family.
Sincerely Vern*
