“ *I lost contact with Gracie for a few years, and I just found out of her passing. I feel so guilty not being able to hug and say good bye. She helped me get out of my moms home due to physical abuse across the street when I was 16. She welcomed me to her home at night when I was kicked out. I thank Gracie with all my heart. Rip.*

“ Love and miss you . I will always remember her with Chuck and Jackie taking them to school every morning. She was a young mother who adored her boys. I later had Jackie and her grandson in my fifth grade classroom. Heaven gained an angel.

I, too, remember working with both Jack & Gracie. She was a wonderful lady. She loved her boys. May God comfort you with the knowledge that she is "forever home" in the presence of the Lord.
