“ *I know several of the family in different ways and am so sorry that a time like this is communication time. Your husband, father and grandfather I never met, however I know a lot of you from school, and I am a friend and sales person for Miche Bags to Miss Shirley and Miss Kathy. I went to school with Dena and Mike. I also am familiar with Regina and Derik. I will be praying for each of you and hope that the next few days or weeks you are granted love and care in knowing there is room to miss this fine man but you again shall be reunited and be together again. God Bless Karen Davis Eldridge and family. (Hindsville)*

“ *I truly enjoyed the memory slideshow at the viewing. I'm a fairly new addition to the family (20 years), so it was nice to see all the wonderful memories and beautiful places Uncle Harold enjoyed throughout his life. In all those photos he was smiling and looking debonair.*
