“ *Mike and family,*

Your father was a personal and business friend of mine since 1966 when I met him at J.D. Fisher Buick in Fayetteville. He was the sales manager. I was the Northwest Arkansas Claims Representative for General Motors Ins. Corp. here. We worked together for twelve years. I last saw him at the Waffle House in Springdale, shared breakfast one morning. We shared some fond memories together. He was always kind and friendly to everyone he came in contact with, and very successful in all his business ventures. I know you will miss him as will his friends.
